

Airport Parking

Save up to 50% off airport parking reservations while booking a trip.

Trying to find last-minute airport parking can be stressful and expensive. An airport garage can cost up to \$30 more per day than an off-airport lot. The Rearden Personal Assistant offers travelers and their companies a convenient, cost-effective alternative.

With the Rearden Personal Assistant, travelers can easily reserve off-airport parking at more than 70 airports in the U.S. and U.K. Each lot features secure, well-lit parking, luggage assistance, and frequent shuttle service to and from the terminal. Important details like drop-off time, driving directions, and shuttle information are automatically added to the traveler's calendar.

What's more, the Rearden Personal Assistant makes it easy for travel managers to encourage the consistent use of off-airport parking and save up to 50% compared to on-airport parking.

Savings for Companies:

- Save up to 50% off on-airport parking, with no booking fees
- Encourage employees to use cheaper off-airport parking vs. the airport garage
- Increase visibility into and control over airport parking spend

Convenience for Employees:

- Reserve airport parking online while booking a trip
- Get automatic calendar updates with reservation details
- Change or cancel reservation online at no charge
- Enjoy secure parking, luggage assistance, and frequent shuttles
