Get instant access to travel information – anywhere and anytime

Business never stands still. Neither do business people. That's why we introduced the Rearden Commerce™ Mobile Personal Assistant. Whether you're out of the country or just out of the office, you can instantly access your personalized travel itinerary, receive real-time alerts, view weather forecasts, and even book dining reservations near your location or hotel address. When travel plans change, the Mobile Personal Assistant anticipates your needs and keeps you moving.

Flight delayed or cancelled? It will notify you immediately. Need a ride? Click once to reserve Car Service and save up to 20%. Hungry? You can find a restaurant nearby and place a reservation. And if you ever need help from the road, your travel agency is just one click away. Best of all, since the Mobile Personal Assistant is downloaded to your mobile device, it's always available.

The Mobile Personal Assistant. It's travel made easy.

What it Means for Companies:

- Help your employees stay productive and be efficient while on the road
- Save up to 20% on car service
- Provides a great convenience, encouraging employees for booking in their company-approved tool

What it Means for Employees:

- Instant access to personalized travel itineraries, ground transportation, and more
- Receive real-time travel status and alerts
- Ability to book dining and email reservation details from your device
