

Group Dining

Plan your next group dining event in minutes and save up to 15%.

If you've ever planned a group dining event, you know how frustrating it can be. Sometimes it takes days just to find the right restaurant. Until now.

Group Dining is the world's first on-demand solution for planning group meals such as team events and rewards banquets. Combining user convenience and high-touch service, Group Dining lets you quickly identify and connect with restaurants offering group dining facilities. You can read ratings and reviews, see photos of private rooms, confirm available amenities and A/V equipment, and more – all online. Group Dining improves productivity and saves you money – all participating restaurants offer a 15% discount. What's more, a dedicated concierge will assist you in confirming your reservation and coordinating all of your event details.

Let the Rearden Personal Assistant find the perfect venue for your event. It's Group Dining made easy. Bon Appétit!
